

**AMENDMENT #5 TO CLEARWATER TOWNSHIP ORDINANCE #22, THE ZONING ORDINANCE
ARTICLE XII (Signs)**

At its regular meeting on April 20, 2016, the Clearwater Township Board enacted Amendment #5 to Ordinance 22 (the Zoning Ordinance) regarding Article XII (Signs).

The rationale for the amendment is to standardize the township time-limit rules for removal of temporary signs, so as to meet the constitutionality standards of regulating signs on their form and purpose, and not on the content of their message. The standard time-limit is fifteen days following completion of the purpose for which they were in place.

This notice is published in compliance with the MZEA (Public Act 110 of 2006 as amended). This amendment becomes effective eight (8) days after publication in a newspaper of general circulation within the township.
