

**CLEARWATER TOWNSHIP**

**AMENDMENT #7**

**to Ordinance No. 22, the Zoning Ordinance**

**To amend the definition of STRUCTURE as provided in Article V.**

**The Township of Clearwater ordains: inasmuch as the current definition of STRUCTURE in the Zoning Ordinance has been found to be too vague to be consistently applied even-handedly, a new more precise definition shall be adopted.**

The current definition of the term STRUCTURE, "any production or piece of material artificially built up or composed of parts joined together in some definite manner; any construction, including dwellings, garages, buildings, mobile homes, signs and sign boards, towers, poles, antennae, stand pipes or other like objects, but not including fences," shall be amended to read as follows:

"STRUCTURE - anything constructed or erected, the use of which requires a permanent location on or beneath the ground, or attachment to something on or beneath the ground."

This amendment shall become effective eight (8) days after being published in a newspaper of general circulation within the Township.
