Supervisor Niederstadt opened the meeting with the Pledge of Allegiance.

Moved by Eldridge and 2nd by Niederstadt to approve the minutes from March 28, 2015 as presented. Minutes approved.

Public Comment: None

End of Fiscal Year Report: Niederstadt reported the following accomplishments:

Heritage Park: Was used by residents to dump off August 2nd storm damage. Limbs were ground up for 7 days by the Seeds group and transported to be used at Freedom Park.

Freedom Park: Replacement of many sections of split rail fencing, drop off of many loads August 2nd storm damaged trees, re chipping of trails by Seeds workers, about 20% were re chipped.

Cemetery: The August 2nd storm brought down and damaged many trees. It took over a month for this damage to be cleared away.

Community Center and Township Hall: A committee was formed to look at expanding office space by removing the stage, adding restroom space, adding storage area , and remodeling the kitchen.

Road Improvements: The second mile of Morrison Road was wedged and capped, relined and new gravel was added to the roads shoulders. The same procedure was done on West Plum Valley from Rapid City Road to the entrance of Pine Circle Drive.

Access Sites: Birch Street, Maple Street, and Cedar Streets lost many trees by the August 2nd winds. It took over 7 weeks to have the storm damage cleared away.

New River Access at Aarwood Bridge: Cleared an area for parking & access to the river. During the August 2nd storm several trees came down that had to be cleared away.

Five Year Parks & Recreation Plan: A committee was formed and it created a new 5 Year Plan that was provided to the DNR.

Sandbar Committee: A committee was formed to search for solutions to the problems created for the Township and its Residents.

Fire Department: Hired 1 new Fire Fighter. Physicals for all fire Fighters were given.

Public Comment: None
